

Hosting Together A House Party

Host a house party and turn a casual gathering into a meaningful way to help end hunger in the Snoqualmie Valley. In a relaxed setting, share the Food Bank's vision, spark conversation, and invite friends to get involved, with an SVFB board member on hand to share information and answer questions. With support and ready-to-use materials from SVFB, your gathering can raise vital funds, grow our community awareness, and help build a movement that lasts.
